

**PROGRAM OVERVIEW**

J.D. Power For Life is lifetime powertrain coverage that is provided to the customer at the time they purchase their qualifying new or pre-owned vehicle.

**COVERAGE**

**POWERTRAIN** Stated component coverage, includes:

**ENGINE** Engine block and all internally-lubricated parts, including turbocharger/supercharger (if equipped).

**AUTOMATIC/MANUAL TRANSMISSION** Case and all internally-lubricated parts.

**4X4 TRANSFER CASE** Case and all internally-lubricated parts.

**FRONT WHEEL DRIVE** Final drive housing and all internally-lubricated parts.

**REAR WHEEL DRIVE** Drive axle housing and all internally-lubricated parts.

**VEHICLE ELIGIBILITY**

Regardless of age, any vehicle with less than 100,000 miles at time of sale is eligible for the program with the exception of the following makes/models:

Acura NSX, Aston Martin (all models), Bentley (all models), Chevrolet SSR, Daewoo (all models), Dodge Challenger Hellcat, Dodge Charger Hellcat, Dodge Viper, Ferrari (all models), Ford GT, Lamborghini (all models), Lotus (all models), Maserati (all models), Maybach (all models), Mercedes SLR, McLaren (all models), Nissan GT-R, Panoz (all models), Porsche (all models), Rolls Royce (all models).

**AVAILABLE TERMS**

Lifetime coverage for as long as the customer owns their vehicle, unlimited time, unlimited miles.

**DEDUCTIBLE OPTIONS**

No deductible.

**LIMITS OF LIABILITY**

The limit of liability is the NADA average retail value of the vehicle at the time of breakdown.

**MAINTENANCE REQUIREMENTS**

J.D. Power For Life requires the customer to maintain the vehicle according to the maintenance requirements outlined in the J.D. Power For Life Agreement. This encourages the customer to return to the dealership's service department for customary maintenance.
